The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

YZ250 1994-1998

This book covers the vast majority of Powerstroke Diesel engines on the road, and gives you the full story on their design. Each part of the engine is described and discussed in detail, with full-color photos of every critical component. A full and complete step-by-step engine rebuild is also included.

Bestselling author Eric Spitznagel speaks with an all-star lineup of rock-n-rollers—from Perry Farrell to the Indigo Girls—to discover the uproariously wild, sentimental, and unexpected pre-stardom stories behind their favorite records. Rock Stars on the Record is a collection of first-hand tales by artists of all ages, backgrounds, and musical influences, remembering the meaning behind the records that mattered most to them. From Laurie Anderson to Ian Mackaye, Don McLean to Yuka Honda, Alice Bag to Mac DeMarco, and many more, bestselling author Eric Spitznagel talks to rock stars across the musical spectrum about the albums that changed them in ways only music can change someone. Everyone's most cherished childhood record—be it a battered piece of vinyl, tom cassette tape, or scratched CD—has a story, and those stories can be more revealing about their owners than you might expect. Read about how Wilco frontman Jeff Tweedy furtively scratched the "Parental Advisory" sticker off the sleeve of the Clash's London Calling so that his mother would consent to buy it—cementing its influence on the Grammy-winning band. Or about Mojo Nixon's relationship to George Thorogood's Move It On Over, or Dar Williams's connection with Judy Collins's Whales & Nightingales. Each profile is more emotional, fascinating, and hilarious than the last. So place that needle in the groove, and prepare to hear something revelatory from your favorite rockers past and present.

A revealing biography of Britain's future king by a New York Times–bestselling author the Wall Street Journal hails “the Godfather of royal reporting.” With exclusive interviews and extensive research, King Charles delivers insight into the life of His Royal Highness, the Prince of Wales, as he nears the throne at a watershed moment in modern history and in the British monarchy. Author Robert Jobson debunks the myths about the man who will be king, going beyond bogus media caricatures of Charles to tell his true story. Jobson—who has spent nearly thirty years chronicling the House of Windsor, and has met Prince Charles on countless occasions—received unprecedented cooperation from Clarence House, the Prince's office, in writing this biography. King Charles divulges the full range of the Prince's political beliefs: the United Kingdom's special relationship to the United States, climate change, Brexit, and immigration—to ultimately portray the kind of monarch Charles III will be. Jobson taps a number of sources close to the Prince who have never spoken on the record before, plus members of the Royal Household who have served the Prince during his decades of public life. This comprehensive profile also reveals the plans for Charles to serve as Prince Regent once the Queen turns ninety-five; how at her insistence he already reads all government briefings; and why he feels it is his constitutional duty to relay his thoughts to ministers in his controversial “black spider memos.” Moreover, King Charles reveals the truth about the Prince's relationship with his second wife and chief supporter, Camilla. The result is an intriguing portrait of a man on the cusp of kingship.

The 3rd edition of Motocross Fitness: The Ultimate Home Training Guide for Motocross Athletes has 189 pages of photos and exercise descriptions specifically designed for the demands of motocross racers. This new, updated 3rd edition of Motocross Fitness has exercises and workouts for beginners as well as experienced motocross athletes, and it is appropriate for all fitness and skill levels. This book includes sample weekly workouts designed for those who want to train at home with little or no special equipment. Included in Motocross Fitness are: 10+ types of pushups; neck exercises to protect against injury; exercises to strengthen your midsection and lower back; exercises that will increase strength, flexibility, and endurance; workouts to increase endurance without long distance running; unconventional exercises and workouts to eliminate boredom; mental preparation; and workouts you can do anywhere at any time. Motocross Fitness is a complete guide for motocross athletes who want to maximize their fitness and racing potential.

Exceptionally clear text treats elasticity from engineering and mathematical viewpoints. Comprehensive coverage of stress, strain, equilibrium, compatibility, Hooke's law, plane problems, torsion, energy, stress functions, more. 114 illustrations. 1967 edition.
