The Enigma Strain is a thriller that revolves around the discovery of a lethal biological entity which is scientifically altered to turn it into a terrorist weapon. In the early stages of the book, the narrative jumps backwards and forwards in time and among different places and groups of people, which I found a little confusing at times - but not enough to make me want to stop reading.

Meriwether Lewis was murdered because he knew a secret. ...A deadly secret. From the author that brought you the best-selling Harvey Bennett Thrillers series, The Jefferson Legacy is the newest installment in the series, and the first featuring the fully formed "Civilian Special Operations" team. Harvey Bennett is back. Ben and his new team are hard at work putting the finishing touches on their "Civilian Special Operations" headquarters, when they get a call: there's been a murder, and a theft of a seemingly insignificant artifact. The team heads to Philadelphia to meet up with the modern-day American Philosophical Society, to talk about the robbery and see if they can offer help. ...Soon, bullets begin to fly. Apparently the APS has been keeping secrets that point all the way back to the nation's Founding Fathers.

In 1791, two men began planning the layout for the nation's capitol city. One is shunned and resigns in disgrace, and the other is all but forgotten. Years later, an original copy of the plans—long thought to have been destroyed— is found, with hastily marked notations by Thomas Jefferson and George Washington. During the second World War, American military scientists discover some fascinating properties of the hydrogen atom and its link to an ancient mystical number. The exact findings are never published, but a national laboratory is built in 1943 to further their research in covert silence. America is told it is a defense project, code-named 'The Manhattan Project.' An ego-maniacal entrepreneur and his company, Vilocorp, will stop at nothing to build the "perfect" human specimen. His firm's research has been getting closer every day, but they seem to have uncovered a horrific, ancient secret that has been locked away for thousands of years. Now, it's up to two men to understand the mystery surrounding the events and ancient symbolism before Vilocorp unleashes a hellish fury upon the earth; one that hasn't been seen for ages...

New Yorker Tom Bohannon finds his life in danger after he uncovers an ancient scroll in a secret room in New York City's Bowery Mission and sets out to decode the cipher written in a dead language.

Paradisum is a science-based theme park. At least, that's what everyone thinks. But there seems to be something sinister going on beneath the surface. OceanTech Paradisum is the cutting-edge theme park from OceanTech, and they are hoping to capitalize on the growing trend of education-based vacation destinations. The park's CEO, Adrian Crawford, has spent his entire professional life working toward this goal, and he is excited to show it to the world. Harvey Bennett and his team at the Civilian Special Operations are sent to Paradisum to investigate the security protocols at the new park. But what they find there terrifies them... From USA Today bestselling author Nick Thacker, The Paradise Key is the latest in the groundbreaking and genre-bending Harvey Bennett Thrillers series! \*Pick up your copy today and start reading!\* The Paradise Key is part of a longer series, but was written to be enjoyed as a standalone novel.
