Science fiction constitutes one of the largest and most widely read genres in literature, and this reference provides bibliographical data on some 20,000 science fiction, fantasy, and horror fiction books, as well as nonfiction monographs about the literature. A companion to Reginald's Science Fiction and Fantasy Literature, 1700-1974 (Gale, 1979), the present volume is alphabetically arranged by approximately 10,000 author names. The entry for each individual work includes title, publisher, date and place published, number of pages, hardbound or paperback format, and type of book (novel, anthology, etc.). Where appropriate, entries also provide translation notes, series information, pseudonyms, and remarks on special features (such as celebrity introductions). Includes indexes of titles, series, awards, and "doubles" (for locating volumes containing two novels). Annotation copyright by Book News, Inc., Portland, OR.

A mother receives an undeniable message of love from her deceased son A series of meaningful coincidences appear to save a life; A conversation overheard between strangers delivers a life-altering personal message to a bystander; A dream warns a woman of a wounded animal miles away; A reading of oracle cards prepares a daughter for an impending tragedy....Extraordinary? Unusual? It's not! Messages from Spirit are received every day by ordinary people in a multitude of ways. We are made of, and surrounded by, an all-knowing Divine field of intelligence that is just waiting to guide us and give us help whenever we ask for it. We just need to learn how to enter the conversation and understand the dialogue. So how do we ask? How do we receive and interpret the answers? By exploring ancient methods in a modern context of connecting to the Divine, renowned intuitive counselor and best-selling author Colette Baron-Reid shows you magical, fun, and practical methods that will enable you to delve into your own dialogue with Spirit. She'll take you on a mysterious and enlightening journey that will shake up your perspective, stir your curiosity, and prepare you for a Divine conversation that will forever change your understanding of the world around you.

Following the epic conclusion of her internationally bestselling Women of the Otherworld series, Kelley Armstrong launches a brand-new series set in Cainsville, a small town as spookily fascinating as Stephen King's Castle Rock or Dean Koontz's Moonlight Bay. Olivia Taylor Jones, 24, seems to have the perfect life. The only daughter of a wealthy Chicago family, she has an Ivy League education, pursues volunteerism and philanthropy, and is engaged to a handsome young tech-firm CEO with political ambitions. But Olivia's world is shattered when she finds out that she's adopted. Her real parents? Todd and Pamela Larsen, notorious serial killers, each still serving a life sentence. The news brings a maelstrom of unwanted publicity to her adopted family and fianc é, and Olivia thinks the best thing she can do for herself and for them is run away from it all. She ends up in the small town of Cainsville, Illinois, an old and cloistered community that takes a particular interest in both Olivia and her decision to uncover the truth about her birth parents. Olivia decides to focus on the Larsens' last crime, the one Pamela Larsen swears will prove their innocence. But as she and Gabriel Walsh, Pamela's former lawyer, start investigating, Olivia finds herself drawing on abilities that have remained hidden since her childhood, gifts that make her both a valuable addition to Cainsville and deeply vulnerable to unknown enemies. There are dark secrets behind her new home, and powers lurking in the shadows that have their own plans for her.

Derek Walcott's Omeros is a poem in five books, of circular narrative design, titled with the Greek name for Homer, which simultaneously charts two currents of history: the visible history charted in events -- the tribal losses of the American Indian, the tragedy of African enslavement -- and the interior, unwritten epic fashioned from the suffering of the individual in exile.
